**The government cuts will start biting soon. Your local police force are having to make 20% savings... There will be fewer patrols and slower responses.**

**Burglaries and theft from properties are all set to increase, just as they did in the last recession.**

**Today an alarm system is simply not enough. Ask yourself, if you wanted to steal, which house would you target? The one protected by CCTV or the unprotected house?**

**All our CCTV protection systems provide 24 x 7 protection for your property and your loved ones. They can all be connected to the internet for remote viewing, through browsers and smart phones; iPhone, Blackberry, Symbian, and Android.**

**Our systems will alert you when inappropriate movement is detected.**

**Systems start from just £895 fully installed and connected to the internet.**

**For your peace of mind - Contact us now for a free no obligation consultation.**

# **T4** Local Security and Surveillance

[www.t4security.com](http://www.t4security.com)

[enquiries@t4security.com](mailto:enquiries@t4security.com)

**From only £895**

- 4 cameras with infrared night vision
- A digital video recorder
- Connected to the internet
- Fully cabled
- Fully installed
- Set up for access from your mobile phone

Our CCTV systems can protect your property, watching what goes on outside, covertly watching what goes on inside, (granny watch and baby cam), protecting those you love and your hard earned property.

All our systems come with state of the art movement detection and remote control/viewing over the internet and through mobile phones.

Criminals normally go for the easiest targets, deter them from picking on you.

**Call us, or email us and we will advise you how best to protect your home and those inside it.**
